# Call for 25 annual scholarships for the Bachelor of Medicine

---

**The Foundation for the Lugano faculties of the Università della Svizzera italiana (USI) is offering 25 renewable annual scholarships to students enrolled in the Bachelor of Medicine for the academic year 2024/2025.**

## General conditions

The scholarships are reserved to students enrolled at USI and attending their Bachelor of Medicine at the University of Basel or at the University of Bern. The worth of the scholarship is CHF 2'000, equivalent to the semester tuition fee for students who are beneficiaries of the Intercantonal University Agreement (AIU) i.e., who have completed the baccalaureate degree (Matura) having legal domicile in Switzerland.

Scholarships are awarded taking into account of, in the here presented order:

- a) The family economic conditions (the most recent tax notification).
- b) The residence during studies (copy of lease or weekly residence permit)
- c) The merit, i.e., averages of grades achieved in the previous year (baccalaureate/matura final grades for first year students, transcript of records for the second and third year BMed students)

## Method of disbursement of the scholarship

The scholarship will be disbursed in the spring semester 2025 (second semester) in the form of full or partial exemption of the semester tuition fee at USI.

## Terms

Applications must be submitted via the online application form available under:

<https://redcap.lu.usi.ch/surveys/?s=RTAATYADCLFEPWM9>

The application deadline is on 17th September 2024.

Students who will be in their 2nd or 3rd year of study for the academic year 2024/2025 may apply for the scholarship provided that they passed all the examinations required so far in their 1st, or 1st and 2nd, years of studies.

Late or incomplete applications will not be considered.

Applicants will be notified of the outcome by the end of October.

The scholarship cannot be combined with other scholarships and/or study grants provided through the Università della Svizzera italiana.

Awarded students who discontinue their studies will lose the benefit of the scholarship.
